ABOUT US

Indian rehabilitation industry, a significant part of the overall medical sector, has been growing steadily with the increase in disposable incomes adding to the demand of high quality products. Rehabilitation, inclusion and empowerment of persons with disabilities is one of the major social and economic goals, pursued in India.

rehaindia, powered by REHACARE will feature for the first time in India, alongside Medical Fair India. This segment will be dedicated to the rehabilitation sector in India. The three-day event will attract all the categories of stakeholders in this segment.
